OBJECTIVE

As I get closer to my goal I know what area in the agricultural industry I want to pursue which is food safety.

EDUCATION

The University of Arizona (UA) Yuma Branch Campus, Yuma, AZ 85365

- ❖ Bachelor of Science in Agricultural Technology Management and Education

Expected December 2020

Imperial Valley College (IVC), Imperial, CA 92251

- ❖ Associate of Science in Agriculture Science.

Graduated 2018

EXPERIENCE

University of Arizona Yuma Agricultural Center- Yuma AZ, 85364

Student Intern

January 31- April 26, 2019

- I was hired by the University of Arizona Yuma Agricultural Center to work for Zest Labs. Zest Labs is a company that specializes in the shelf life of produce. At work, I evaluated romaine hearts and celery to better understand shelf life.
- ❖ Perform public speaking, food safety, wildlife conservation, and identifying birds.

University of Arizona- Yuma AZ, 85365

Student Intern

June 2018- Present

- I was hired by the University of Arizona Yuma campus. The summer job was a two-week intensive agriculture discovery camp with High School students that are interested in a career in agriculture. My job was to be a student counselor for young students. After the summer camp, I worked with outreach for the campus in Yuma.
- ❖ Perform outreach, computer skills, leadership, and public speaking. Worked with collaboration, adaptability, and time management.

UPS Customer Center, El Centro CA, 92243

Runner for the Driver

November 1 – December 24,

2016

- My two years working as a seasonal runner for UPS was not a joke. This is a hard job that requires the drive to keep moving forward while following all the rules that UPS requires and comply with customer service.
- ❖ Perform customer service and delivered heavy packages. Worked under any weather conditions and adjust to the demand in Christmas Eve. Learned to use the UPS mobile computer and work at a fast pace.

Special Skills and Certificates

- ❖ Bilingual/Biliterate (English and Spanish)
- ❖ Computer Literate (Spread Sheets and PowerPoints)
- ❖ Drive to complete a task
- ❖ Great Adapter
- ❖ Problem Solver
- ❖ Motivated
- ❖ Time Management
- ❖ Great Customer Service
- ❖ Eagle Scout
- ❖ Black Belt in Taekwondo
- ❖ Good Handling Practices and Good Agricultural Practices Training
- ❖ Produce Safety Rule Grower Training
